1. Attach your licence key (dongle) to your computer.
2. Download and run the Repute 2.5 Setup program found here:
www.geocentrix.co.uk/repute/update
3. Run Repute and, when asked to register the program, click **No**.

4. Select the **Licence** tab on Repute's ribbon.
5. Click **Admin Control Centre** to display the Sentinel Admin Control Centre.
6. Check you have a key listed against **Vendor** Geocentrix (48297) and it is **Version** 3.21 or later. If not, contact Geocentrix for further advice.

#	Location	Vendor	Key ID	Key Type	Configuration	Version
1	Local	CEEIZ (48297)	269077957	Sentinel LDK Master	HASP	4.33
2	Local	Geocentrix (48297)	288944591	Sentinel HL Pro	HASP	4.27
3	LOCAL	CEEIZ (48297)	383954133	Sentinel HASP Master	-	3.25

7. On Repute's **Licence** tab, click **Export C2V File...**:

8. Navigate to a temporary location on your computer and click **Save**. Please use default filename provided (e.g. "1138f1cf.c2v").
9. Send this C2V ('Customer-to-Vendor) file as an attachment via email to support@geocentrix.co.uk, with the subject 'Request for Repute 2.5 licence'.
10. Close Repute while you wait for Geocentrix to respond via email.

11. When we reply (via email), save the attached V2C ('Vendor-to-Customer') and LIC (Licence) files to a temporary location on your computer.
12. Re-run Repute and, when prompted to register, choose **No**.
13. Select the **Licence** tab and click on the button **Import V2C File...**
14. Navigate to the temporary location where you saved the V2C file, select the file, and click **Open**.
15. A message will appear in the Message Board to confirm that the upgrade has been successful. If not, contact Geocentrix Technical Support for further help.
16. Delete the V2C file from your computer. (It can only be used once. If you attempt to import the V2C a second time, you will get the message 'Status = 54: Trying to install a V2C file with an update counter that is out of sequence with the update counter on the Sentinel protection key'.)
17. If you need further help, please contact Geocentrix Technical Support, via:
support@geocentrix.co.uk
