HOW TO RENEW YOUR REASSURANCE FOR REWARD 2.8

If you want to renew your ReAssurance for Geocentrix ReWaRD®...

1. Open ReWaRD's Licence menu and select **Licence Registration**.
2. Enter your licence number into appropriate box and click on the **Renew** button.

The screenshot shows the 'Licence Registration' dialog box. It contains the following fields and options:

- Product:** Professional Edition (dropdown menu)
- Company Name:** Geocentrix Ltd (text box)
- PIN:** (text box) with a checkbox for **Use MAC Address**
- Licence Number:** RWD-0280-ec80-f200-8d00-Pro (text box) with a green checkmark icon to its right.
- Network Licence:** (checkbox) with a text box for IP Address or Hostname.

At the bottom of the dialog, there are five buttons: **Import...**, **Renew**, **OK** (with a green checkmark), **Cancel** (with a red X), and **Help** (with a question mark).

3. ReWaRD will automatically download your licence from the web.
4. If you have a Network Licence, tick the corresponding checkbox and enter the IP Address or Hostname of your server into the appropriate box.

This close-up shows the 'Network Licence' section of the dialog. It includes a checked checkbox for **Network Licence**, an **IP Address** field containing '192.168.1.78', and a **Hostname** field which is currently empty.

5. Click OK to save your licence.

If you have been sent a licence (.LIC) file by Geocentrix...

1. Save the licence (.LIC) file to a temporary location on your computer (e.g. C:\Temp).
2. Open ReWaRD and select Licence Registration from the Licence menu.
3. Click on the **Import...** button, select the .LIC file, and click **Open**.
4. If you have a Network Licence, tick the corresponding checkbox and enter IP Address or Hostname of your server into the appropriate box.
5. Click OK to save your licence.
